 Life is struggle

This year proved to be prosperous for the Sophomore class. On October 23 the class had a "work day" from which they earned over one hundred dollars. Winter Carnival queen candidates were: Betty Larson, Amy Houpt, and Anne Popovitch.

Ninth Grade

Being a freshman was not so bad this year even though we ran into a few minor problems with the Winter Carnival and Freshman Reception. We were one of the few classes to make money on a very successful dance. The addition of about ten students from Rutland Town and Chittenden added a lot of school spirit and determination to our class.

Seventh Grade

The seventh graders, who began the year with the usual curiosity and confusion, soon showed that they knew their way around. They put up an enthusiastic fight in the Jr. High division in the Winter Carnival, winning the title of crab soccer champ.

They energetically worked as a class and gave their all in the candy sale to come in third place.

selections. The band played in the Memorial Day music selections. The band played in the Memorial Day parade and the chorus sang at graduation.

The Student Council had another busy year sponsoring things, like the candy sale and the well-liked student take-over and hosting a regional talent show. They also put the Student Council president on a seat

at School Board meetings to participate in discussions and rewrote the high school constitution. One of the best additions that was made was an ice cream concession in the lunchroom.

Our thanks to our photographers Scott, Bev, and Tom and a special thank-you, Mrs. Dalto, for all your time and creativity.

This year, the T.V. technicians were kept busy taping and televising the Proctor basketball games. They also taped the production of the Miracle Worker done by interested students.

P.E. Aides

A first at Proctor High. This year Mr. Nichols organized a leaders' corps for boys. This involved going to the Graded School to help with instruction and also here at P.H.S. Miss Dunstan had 3 girls who helped her also.

Library Aides

This past year, as in previous years, a club for library aides was formed. Students as aides again had the opportunity to work in the library and gain some experience in that field.

The 1972 Winter Carnival was held February 17-19. Lack of snow kept us from doing the snow sculptures. Thursday afternoon the queen candidates had their talent show to officially open the carnival. Friday the events were held. The pentathlon, replacing the sculptures was a success. Saturday at the dance the 18 candidates were presented. Congratulations to Queen Amy Houpt, and the Class of '74 for capturing the honors.

Skate along with Stu

Soccer

The Proctor soccer team ended the regular season of play with an 8-1 record, bowing only to Ludlow and taking second place in the M.V.L. By defeating Rochester and B.F.A. of Fairfax at Middlebury they reached the finals having to face Ludlow once again. The game ended in a tie after two five-minute overtimes, but because one team was needed to face the I-L champs, the game went into penalty kicks. It ended with a 7-6 win for Ludlow and left us with a 10-1-1 record for the season.
